Town Warrant

THE STATE OF NEW HAMPSHIRE

**To the Inhabitants of the Town of Jefferson in the
County of Coos in said State, qualified to vote
in Town Affairs:**

You are hereby notified to meet at Town Hall in said Jefferson on Tuesday, the eleventh (11th) day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to raise and appropriate the sum of \$131.47 for advertising in cooperation with the White Mountains Region Association.

4. To see if the Town will vote to raise the sum of \$298.31 and receive the sum of \$1,988.75 from the State for Town Road Aid.

5. To see if the Town will vote to allow the Selectmen to administer or dispose of any real estate acquired through Tax Collector's Deeds.

6. To see if the Town will vote to allow the Selectmen to distribute the inventory blanks at the time of taking inventory.

7. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

8. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 22nd day of February, in the year of our Lord nineteen hundred and fifty-eight.

KENNETH S. REED,
COLEMAN D. KENISON,
FORREST W. INGERSON,
Selectmen of Jefferson

A true copy of Warrant—Attest:

KENNETH S. REED,
COLEMAN D. KENISON,
FORREST W. INGERSON,
Selectmen of Jefferson

M. LEIGH BACON,
Treasurer

Town Clerks' Report

I hereby certify that during the period ending March 12, 1948 I issued 140 automobile permits, collecting fees on same amounting to \$1,159.08. My commission on these amounted to \$70.00.

I licensed twenty-two dogs for 1956 and one for 1957. Total fees collected for the town \$49.90.

My expenses for this period were \$27.87.

Respectfully submitted,
PATRICIA T. HICKS,
Town Clerk

* * * * *

I hereby certify that during the year from March 12, 1957 to November 25, 1957 I issued two hundred and seventy-one auto permits, collecting fees on same amounting to \$2,266.79, which I turned over to the Treasurer. My commissions on these auto permits amounted to \$140.00.

I licensed fifty-seven dogs—two females and fifty-four males— and one kennel license, turning over to the Treasurer \$120.60, and retaining \$11.40 as my fees.

I recorded and reported to the proper authorities fourteen births, three marriages and twenty-two deaths.

During the year I expended for postage and office supplies, \$7.68.

Respectfully submitted,
JACQUELINE INGERSON,
Town Clerk

* * * * *

I hereby certify that during the year from November 25, 1957 to December 31, 1957, I issued 14 auto permits, collecting fees on same amounting to \$38.31, which I turned over to the Treasurer. My commissions on these auto permits amounted to \$7.00.

I licensed 9 dogs—7 males and 2 females, turning over to the Treasurer \$25.00. My commission on these fees amounted to \$1.80.

I recorded and reported to the proper authorities one birth, two marriages, and one death. My commission amounted to \$2.00.

My expenses amounted to \$1.00 for postage.

Respectfully submitted,
ALICE M. BACON,
Town Clerk

Auditor's Report

This is to certify that I have examined the books, vouchers, bank statements and other financial records of the Town of Jefferson for the fiscal year ended December 31, 1957 and found them correct.

SHIRLEY C. INGERSON,
Auditor

Health Report

**Mrs. Alice Bacon, Town Clerk
Jefferson, N. H.**

To the Citizens of Jefferson:

During the year 1957, the children of Jefferson attended four Salk Vaccine Clinics held in Lancaster, and sponsored by the N. H. State Department of Health, in cooperation with the local School Nurse, and the Principal of the School.

Two hundred and thirty-four children from Jefferson attended these clinics. Fifty-nine received first injections, 44 received second injections and 131 received third injections. In February, 100% of the children in the Jefferson school, at this time, had received their first injection, and this is indeed a credit to the community.

I would like, at this time, to urge the parents of all pre-school children to continue to take advantage of the opportunity afforded them to attend the Child Health Stations in Lancaster, where Immunization of Whooping Cough, Diphtheria and Tetanus, is offered every month.

It has been a pleasure to work with the Citizens of Jefferson, and at this time I would like to thank them for their cooperation, and at any time I hope they will feel free to call on me if I can be of any service to them.

Respectfully submitted,

**ELEANOR D. KENNEY,
N. H. State Dept. of Health
Public Health Nursing
serving Coos County**

December 27, 1957

Report of Civil Defense Director

Several pieces of new equipment have been purchased during the past year for the use of the Fire Department. They include two masks, a shovel, hatchet, pick, trench shovel and two stretchers. This equipment was purchased through the Civil Defense surplus materials program.

The first time the masks were used was at the fire at the Gorman house in Riverton and Chief Bacon credits their use for saving the house.

The school has cooperated in civil defense tests and the people were most cooperative during the nationwide test during the summer.

Several units have not been filled and any one who wishes to help in any way is urged to contact the Director.

The Fire Department is headed by M. Leigh Bacon. Miss Mary Jane Brady, R.N., heads the health department. Volunteers in these or other units will be welcome.

Respectfully submitted,
HELEN M. MERRILL,
Director of Civil Defense
for Jefferson.

Report of GOC Supervisor

After several years of plane-spotting, the GOC went on standby basis as of Jan. 1, 1958. It has been part of our work to spot planes, report them to the filter center, giving as accurate information as possible. During the time we have helped give weather information whenever it was requested.

Periodical tests have been given and those who have assisted, though few, have done a very fine job.

The GOC installed a range sounding system at the Supervisor's home, last year, and it has been of much help in spotting planes.

A number of UFOs have been reported and much interest has been forthcoming when these were spotted. UFOs are unidentified flying objects, and include balloons, as well as any other object visible.

On Jan. 13, shortly after the post went on standby basis, the Supervisor reported a plane in distress. There was a very bad storm that day and the huge plane circled the area nearly an hour. No word has been received concerning this incident but it is hoped that our action may have been instrumental in saving the plane from a crash.

Volunteers are still needed in case of emergency and anyone interested may contact the Supervisor.

Respectfully submitted,

HELEN M. MERRILL,
GOC Supervisor, Jefferson

School Warrant

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Jefferson qualified to vote in District Affairs:

You are hereby notified to meet at the Town Hall in said District on the 11th day of March, 1958 at 1:00 P. M. in the afternoon to act on the following subjects:

1. To choose a moderator for the coming year.
2. To choose a clerk for the ensuing year.
3. To choose a member of the school board for the ensuing three years.
4. To choose a treasurer for the ensuing year.
5. To determine and appoint the salaries of the school board and truant officer, and fix the compensation of any other officers or agents of the District.
6. To hear the reports of agents, auditors, committees, or officers heretofore chosen, and pass any vote relating thereto.
7. To choose agents, auditors, committees, in relation to any subjects embraced in this warrant.
8. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school District officials and agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the School District will vote to hereafter use a check-list for the election of its officers, beginning with the 1959 annual District meeting, and will adopt as its school check-list, the Town check-

list, as provided in RSA 197:12a, as inserted by the Laws of 1957, Chapter 57.

10. To see what sum of money the District will vote to raise and appropriate for the Capital Reserve Building Fund.

11. To see if the District will vote to raise and appropriate a sum of money for the purposes of constructing, equipping and furnishing an Elementary School on the lot now owned by the District; vote to issue serial notes or bonds upon the credit of the District under the Municipal Finance Act or any other enabling authority to pay for all or any portion of the sum so appropriated, and authorize the School Board to determine the terms and conditions upon which the notes or bonds shall be issued; and take any other action incidental or connected with the foregoing.

12. To see if the District will vote to authorize the application for funds from the federal and/or state governments for use in connection with the school projects described in the preceding article, and to provide for the use of such funds if and when received to pay for said school project or for any bonds or notes issued to finance that project, or to take any other action in connection therewith.

13. To transact any other business that may legally come before this meeting.

Given under our hands at said Jefferson this 17th day of February, 1958.

CLINTON McINTIRE, Chairman
CHARLES ENMAN
HARRY JACKSON
School Board

Budget for 1958-59

	Amount Spent 1956-57	Adopted Budget 1957-58	Proposed Budget 1958-59

Totals	\$40,764.60	\$42,188.08	\$41,144.88
Total School Budget	38,794.21	42,188.08	
Raised by Local Taxation	36,798.14	37,964.60	
Requested by Appropriation, March 1958			\$41,144.88

*The starred items are required by law to be raised as determined by proper authorities. The District determines the salaries of the District officers. The Supervisory Union

Board decides the local share of the Superintendent's salary and other Union expenses. The share paid by the several Districts toward the Superintendent's salary for 1957-58 is as follows: Dummer, \$157.50; Gorham, \$3,105.00; Jefferson, 405.00; Milan, \$472.50; Randolph, \$157.50; Shelburne, \$202.50. The State Treasurer reports the amount of per capita tax, while the Teachers' Retirement Board assesses the amount for teachers' retirement and the State Employees' Association assesses the amount for the Superintendent's retirement and other District employees that belong to the system. In those towns that are under Social Security, the amount to be paid by the District is established by law.

The amount of appropriation requested will be reduced by the amount of balance left at the end of the year and by the amount of state aid due the District.

Superintendent's Report

To the School Board and the Citizens of the Jefferson School District:

Foreword

The Russian advance in the field of technology has awakened the average American more than any one thing during the past decade. When the announcement was made that Russia had successfully launched an earth satellite, the cry arose, what has happened to the United States, how did Russia advance so rapidly while our country was falling behind? Of course the blame has to be placed on the shoulders of someone, and aside from the leaders of our government, education has taken the brunt of the criticism.

In our country, we have the cherished dream that everyone is entitled to equal opportunity and chance. American public education was fostered on the belief that an enlightened citizenry was a necessity, if we were to successfully have a democratic form of government. That thesis implied that all should be entitled to as much education as possible. To take care of the large enrollments, the American school tried to adjust for the differences among children, the vocational and educational plans of the students and the interests of various groups as to what they felt the schools should accomplish.

It probably is true that some school systems have introduced courses that have not tested the true mental capacities of the students. This is not true in all schools. I agree that more can and probably should be done in our schools to improve and increase the teaching of science and mathematics, but we must not lose the proper perspective of the entire curriculum. There still is, and always will be, strong need for courses in English, in the social studies, the languages, and the arts. I don't believe anyone desires that this country should become a nation of technologists alone. We must keep sight of the fact that all students cannot be scientists or mathematicians and the schools must have offerings for these people, so they too can prepare for adult living. This

fact necessitates courses in the curriculum for commercial training, home economics, manual training, languages, etc.

The schools will meet the challenge along with our nation. Stronger emphasis will be focused on the sciences and more students will graduate from such courses. Again, however, I would like to leave this thought with you—let's keep a proper perspective of the entire curriculum and not go overboard on a single area of what the schools should offer.

Teachers

Jefferson had one change in its teaching staff this year. Mrs. Florence Currier of Lancaster is teaching Grades 1 and 2, replacing Mrs. Estelle Houle, who resigned and is now teaching in her home city of Berlin. Mrs. Currier taught in Vermont previous to coming to Jefferson and for many years was connected with home demonstration work for the University of Vermont. Jefferson's salaries have been increased moderately during the past few years and further increases are planned for next year. The average salary for beginning teachers this year will be in the vicinity of \$3,300.00. This means that it would be very difficult to replace one of our present teachers with a beginner with a comparable salary now being received by our present staff. Also, the supply of teachers is diminishing for the rural communities, as most of the graduates of teacher training schools do not prefer to teach in rural areas, especial in the "north country". With positions being as plentiful as they are, applicants can be quite selective in the location where they wish to teach.

Enrollment and Attendance

We had a slight decline in the percentage of attendance due to excessive illness last year. However, the attendance percentage of 94.5% is quite good for the elementary grades. The number of tardiness cases dropped during this past year, which is gratifying.

Tuition

The number of pupils attending school outside of Jefferson is 43 as compared to 44 last year. Of this

number 16 are in Berlin and 27 going to Lancaster. Seven of the 16 in Berlin are attending the area school course. It is expected that approximately the same number of pupils will be on a tuition basis next year.

The tuition rate in Lancaster for 1958-59 has been established at \$300.00 by the Lancaster School Board. This amount is below both the state average and the Lancaster per pupil cost. The amount the District will pay for students going to a school other than Lancaster will be \$300.00 for the next school year.

Building and Equipment

Most of the repairs carried out in the Hill School were maintenance projects, although in keeping with the recommendations of the State Fire Marshal's report, several things were done to make the school building a safer place. A door was installed between the first and second grade room and the fire escape, panic hardware put on the fire escape doors and new bells for the fire gongs and passing were installed. New bulletin boards were put up in all of the classrooms, giving the teachers more area to display class work. New sinks, with bubbler attachments were installed in the building, one in the lower hall and the second in the fifth and sixth grade room. Most of these items can be used in the new building when the District sees its way to start construction.

There were several items of equipment added to the building; storage cabinets, file cabinets, film strip projector, film strips, and the 7th and 8th grades made a payment on a 35mm projector. These items too were purchased with the idea that they can be used in the new building.

Budget

The School Board's total budget for 1958-59 is \$41,144.88 as compared to \$42,188.08 for 1957-58. Any amount that is raised for the capital reserve building fund will be added to the proposed budget. The major increase in the budget was for teachers' salaries. Explanation for this item was given under the section concerned.

An increase of \$2,187.98 in state aid for the District this year helped to keep the tax assessment down and caused a decrease in the tax rate. It is felt that the state aid formula will be more permanent in the future and it will be wise for each one to keep in touch with your representative to the General Court so that you will know what possible revisions in this program might be planned.

Warrant

There are four special articles being inserted in the warrant this year. The first is to see if the District wishes to use the Town check-list in its meetings to ascertain the legal voters of the District. If this is voted, a voter in school affairs must meet the same requirements as one who votes in the town meeting, as well as having lived in the District for six months preceding the annual meeting. A second article gives the voters an opportunity to further increase the Capital Reserve Building Fund. The other two special articles call for some action by the voters regarding the building program itself. A detailed report will be given by the School Board and Building Committee at the District meeting regarding these two articles. Information will have been distributed to the voters prior to the meeting and at the meeting so that each one will know all the facts. This will be an important decision for the voters to make, so it is urged that everyone attend the annual meeting.

School Calendar 1958-59

The following is the school calendar for the year 1958-59 as adopted by the Jefferson School Board.

First Term

September 3, Wednesday, School Opens

December 19, Friday, School Closes

School Term in Days—76

Second Term

January 5, Monday, School Opens

February 20, Friday, School Closes

School Term in Days—35

Third Term

March 2, Monday, School Opens

April 24, Friday, School Closes

School Term in Days—39

Fourth Term

May 4, Monday, School Opens
June 12, Friday, School Closes
School Term in Days—30

Days Out

Teachers' Convention—October 16-17
Thanksgiving—November 27-28
Good Friday—March 27
Spring Institute

Conclusion

I would like to thank the members of the School Board, the teachers, students and parents for their cooperation and interest during this past year.

Respectfully submitted,

GORDAN R. TATE,
Superintendent of Schools
